Subject: Traffic crash - Neff & Deyerle

All,

I received a call this morning from a citizen about the crash at Neff and Deyerle yesterday, who had parked in a parking lot to wait for the street to clear. He expressed how impressive it was to watch the professionalism and “straight to work as soon as they got out of the cabs” he witnessed. This gentleman was previously involved in the fire service and simply could not stop thinking about how everyone on the scene performed.

Thank you for all you do every day!

Stay Safe!

Jody
